Delegates to Farmers Congress.

J. W. Larkin, of Paris, and John Larue, of Shawhan, have been appointed by Gov. Willson as delegates to represent the State of Kentucky at the Farmers' National Congress, to be held at Raleigh, N. C., on November 4.

The \$100,000 Baby Dead.

The three weeks old daughter of J. F. and Clementine Deshon, the "\$100,000 baby," died Wednesday at their home near Frankfort. It was the birth of this child which saved to Mrs. Deshon and Mrs. Clark, nieces of the late James A. Holt, the splendid farm in Franklin which was to go to the Clark Masonic lodge of Jeffersonville, Ind., if they died without issue.

Lawyers say that even though the child is now dead, its birth gave its parents a fee simple to the big estate and that the lodge can have no further claim upon the property.

Holiness Meeting.

The Holiness people of Harrison, Bourbon and Nicholas counties will meet at Herrington's Tabernacle, at Black Cross Roads, on Sunday, August 29, at 10:30 a. m. and 2 p. m., for the purpose of organizing a Tri-County Holiness Association. The association will be interdenominational and will have for its work the spreading of "Scriptural Holiness" over these three counties.

BASE BALL.

TUESDAY'S GAME.

The Bourbonites journeyed to Winchester Tuesday and met defeat at the hands of the Hustlers by score of 4 to 2.

The game was uninteresting from start to finish. Sims pitched for the Bourbonites, while Weekley was on the slab for the Hustlers, but was relieved by Tony in fifth inning.

Seven hits were made by each team, the Hustlers coming at times when needed. Following is score and summary:

Paris.....1 0 0 0 0 1 0 0-2
Winchester.....0 0 1 0 1 2 0 0-4

Earned runs—Winchester 1, Paris, 1. Two base hits—Barnett. First on balls—off Weekley 1. Struck out—by Weekley 3; by Tony 2; by Sims 3. Double plays—Weekley to Goosetree to Stout; Ellis to Stout. Hit by pitcher—Sims 2. Hits—off Weekley, 4 in 5 innings; off Tony 3 in 4 innings; off Sims 7. Stolen bases—Stout 2. Sacrifice hits—Seebach, Weekley. Time—1:25. Umpire—Hanley. Attendance—400.

WEDNESDAY'S GAME.

The Lexington Colts were here Wednesday, we are sorry to note, and galloped away with the Bourbonites by score of 3 to 1, in a game that should have been 1 to 0 in favor of Paris.

Scheneberg was in great form and pitched a masterly game of ball. Errors behind him and the failure of the local boys to connect with the ball when a hit meant a run caused the humiliation felt by the crowd of Paris fans present. It was a hard game to lose, especially to the Colts. Kline was in the box for Lexington and was effective at critical points. Following is score and summary:

Paris.....1 0 0 0 0 0 0 0-1
Lexington.....1 0 0 0 0 0 0 2-3

Batteries—Paris, Scheneberg and Elgin; Lexington, Kline and Downing. Hits—Paris, 5; Lexington, 3. Two base hits—Goodman, Kaiser, Kline. Bases on balls—off Scheneberg 2; off Kline 2. Struck out—by Scheneberg 1; by Kline 3. Double plays—Scott to Barnett. Hit by pitched ball—Downing. Stolen bases—Ochs, Hannigan, Viox. Sacrifice hits—Sheets, Harper. Umpire Piepho.

YESTERDAY'S GAME.

The Bourbonites played sure enough ball at Frankfort yesterday and took the game from the Lawmakers by score of 3 to 1. Dugger for Paris, and "Rasty" Wright for Frankfort were pitted against each other and the reliable Dugger won the fight, allowing Frankfort only four hits and one run. Wright was hit freely, but the game was won by fast inside ball playing by the Bourbonites, every man on the team playing a fast game.

Reggie, at Short, and Veatch in right field, the two new players with the Bourbonites, covered themselves with glory by playing star ball.

This news came to us over long distance and is reliable. If we take the game from Lexington here today we will again be in third place. Things look considerably brighter than they did Wednesday evening.

Scott, the crack short stop of the Paris team, was called home Wednesday evening by the death of his grand-

father in Cincinnati. He will be back in time for Sunday's game.

Pitcher Barnes and second baseman Maxey have been released by Manager Barnett.

Claude Veatch, said to be a fast outfielder, was given tryout by Manager Barnett at Frankfort yesterday.

To Prevent Big Leaguers Coming in.

In order to prevent the bringing in of big leaguers to hold out base ball teams in the Blue Grass League at the close of the season a movement has been started by adopting resolutions to the effect that players will have to be signed before they can play in any games after the first of September.

If these resolutions are not adopted it is possible for the managers of the teams to bring better players here under verbal contract and not sign them and pay them large salaries for their services.

The big leaguers will not sign with these small "fry," as they would probably be drafted by a higher class team and would have to go, thereby doing themselves harm by signing with small teams for only fifteen days. The following resolutions have been mailed to all the directors and they will notify President George I. Hammond whether they will adopt them or not. The resolutions follow:

Resolved, That no player shall be eligible to engage in a game of base ball with any club a member of the Blue Grass League who has not signed a contract with the club offering to play him before September 1, 1909, and who has not played at least one game with some club a member of said league, on or before said date.

Any club violating this provision shall be fined not less than twenty-five dollars (\$25.00) nor more than three hundred dollars (\$300.00), in the discretion of the board of directors of the league, for each violation, and all games played shall be forfeited to the opposing club, unless otherwise ordered by the board of directors of said league.

Real Puzzlers.

Some of you who think you are well up in spelling just try to spell the words in this little sentence. "It is agreeable to witness the unparalleled ecstasy of two harassed peddlers endeavoring to gauge the symmetry of two peeled pears with a pair of scissors." Read it over to your friends and see how many of them can spell every word correctly. The sentence contains some of the real puzzlers of the spelling book.

To Insure a Stand of Alfalfa.

We got this pointer direct from M. C. Rankin, State Commissioner of Agriculture. Alfalfa will grow on any land that will produce locust bushes. To get a sure stand on any land where it is difficult to make it take hold, plow the land in the spring and cultivate it throughout the summer same as if cultivating a crop, keeping the weeds down and the soil stirred so that it will retain moisture. Then sow the alfalfa at the proper time in the fall and you will be sure of a stand and a crop that will not only pay better than any other crop but will increase the fertility of the soil. It is worth trying.

Quarantine Lifted for Fair.

Commissioner of Agriculture Rankin Wednesday received a telegram from the Agricultural Department stating that the quarantine on sheep has been lifted on the sheep to be shipped into Kentucky for the State Fair.

Kentucky's First Quarantine.

For many years sheep scab has been quite prevalent in the West, but as a result of the combined efforts of the Federal and State authorities much territory has been entirely freed and the infection in other sections has been greatly reduced, and it is hoped that within a few years more the disease will be entirely stamped out. The present quarantine against Kentucky is the first time that the disease has obtained a sufficient foothold to require a Federal quarantine.

Wheat Threshing Almost Done.

Wheat threshing in Central Kentucky is almost completed and late reports of the conditions show that the loss experienced through the heavy rains which delayed threshing so long will not be as great as was expected. During the early part of the season the yield promised to be the record but the loss caused by rains cut it to about an average crop.

The latest government report on crop conditions in Kentucky says the yield will be about eleven bushels to the acre, about an average. The quality of the grain is not extra good, but owing to its scarcity during the early part of the threshing season a good price was offered for it and in some instances the farmers received the best price they have gotten for some time.

Hermit Dead.

News has come of the death at Greenbrier, Nelson county, of Basil Hayden, who had not stepped outside the picket fence surrounding his yard since President Lincoln freed the slaves.

It was not resentment at this act that caused Hayden's seclusions, for neighborhood tradition is that he shut himself in a little room that day in 1863, after his sweetheart died, and looked no more upon men.

An overseer of Hayden's estate, named Borders, was the only human being whom the anchorite saw, and Borders declares that the words which he exchanged with the recluse in a score of years can be enumerated upon his fingers.

Hayden hid an estate which will amount to nearly \$100,000, in pillow slips and cast off clothing.

Prominent Man Shot.

Richard D. Watson, Cashier of the Central of Georgia railroad, was shot and perhaps fatally wounded in his office at Augusta, Ga., Wednesday by Miss Elvira Todd, aged 22. Six shots were fired at Watson, three of which entered the body, one just above the heart. In her statement to the police Miss Todd accused Watson of causing her downfall.

Young Dentist Suicides.

Dr. H. W. Keidel, a dentist of Murray, fired three shots from a window of his office Wednesday night, the bullets striking an attorney, E. E. Acree, and then turned the revolver to his right eye and blew out his brains, dying an hour later. Dr. Keidel for several days had been in a state of despondency. It is probable that Acree's leg will have to be amputated.

Railroad Conductor Sues.

A damage suit for \$20,000 has been filed in the Harrison Circuit Court by W. L. Chappell, of Covington, against the Louisville & Nashville railroad company, the Cynthiana Telephone Company and Joseph H. Berry, a farmer of Berry. Mr. Chappell is a conductor in the employ of the L. & N., and in his petition he alleges that on June 15 while in the pursuit of his duties as conductor on a freight train, he was on the top of his train and was struck by a telephone wire running to the residence of Joseph H. Berry over the railroad right of way, and was thrown to the car with great force, injuring him to the extent of \$20,000.

Killed by Lightning.

Mrs. Geo. Bradley was killed by lightning, near Flemingsburg, while riding horseback with her little girl behind her. The child escaped injury, but the horse killed.

Youth Killed by Belting in Mill.

Rector Hill, aged 18, went to the Robinson Milling Company's mill at Robinson, Ky., Wednesday morning with a sack of corn to be ground into meal. In some unaccountable way he became entangled in the belts and sustained injuries that proved fatal, although every medical aid possible was summoned. Young Hill was a son of Hub Hill, a well to do farmer of Harrison county.

Democratic Primary.

At the Democratic primary in Mt. Sterling Wednesday Ben R. Truner was nominated for Police Judge over Charles W. Nesbitt, by a majority of 89 votes. The candidates for councilmen were declared nominees by the committee as follows: First Ward, James McDonald and Garrett Sullivan; Second Ward, M. S. Kelly and J. W. Clay; Fourth Ward, William Botts and S. B. Lane.

Musically Decried.

Wellman's Start Postponed.

A dispatch from Walter Wellman's Arctic expedition camp at Spitzbergen, dated August 14 says:

"A north gale which had been blowing since August 5, dropped on the 12, and Mr. Wellman made ready to start in search of the North Pole. The balloon was inflated and provisioned and the motors were working smoothly. On the 13 the wind was still variable, but Mr. Wellman decided to get the airship out of the house.

"The tourist ship Thela arrived about that time and her passengers spent the night ashore, watching the preparations for the flight and hoping to see the start. The officers and crew of the Thela assisted in swinging the airship back into the shed to wait for more propitious weather."

Dispensary Loss.

In the local option elections held in South Carolina in 21 out of 42 counties, the dispensary losses in fifteen. For the first time the anti-saloon league took an active interest in the prohibition movement in that State and not since the stirring factional contests in the early nineties when Benjamin R. Tillman, first entering upon a spectacular political career, has such a campaign been witnessed as that waged by the anti-saloon league leaders, church folk and anti-dispensaries, against the return to dispensaries.

Those who favored the retention of the dispensaries displayed very little energy in influencing the elections. Very little, if any, money was expended by either side at the polls Tuesday, according to reports.

Radical Legislation.

It prohibits the sale of papers advertising any form of intoxicating liquors and also it is prima facie evidence of guilt if the liquors alleged to have been sold have a like color, odor or taste of prohibited liquors.

How Things Change.

A few years ago a spotted pony was an unusual sight outside of a circus, now nothing is more common.
